RESEARCH OBJECTIVE

Industrial and Production Engineering graduate with research experience in mathematical optimization, decision support systems, and human factors. Seeking a PhD opportunity to develop optimization and decision-support methods for complex supply chain, logistics, and industrial systems.

EDUCATION

Rajshahi University of Engineering & Technology (RUET)

Rajshahi, Bangladesh

B.Sc. in Industrial & Production Engineering

Jan 2022 – Jun 2026

- CGPA: 3.60/4.00
- **Thesis:** A Port-Inventory Routing Problem with Route Preprocessing: Application to LPG Distribution in Bangladesh [\[Summary\]](#)
- **Supervisor:** Sonia Akhter, Associate Professor, Department of IPE, RUET
- Formulated a multi-period mixed-integer linear programming (MILP) model that jointly optimizes port unloading, vendor-managed inventory, route selection, heterogeneous truck assignment, and delivery timing, solved in Gurobi on a 28-day case from a Bangladeshi LPG distributor.

RESEARCH INTERESTS

- Operations Research
- Mathematical Optimization (Mixed-Integer Programming)
- Supply Chain & Logistics
- Decision Support Systems
- Multi-Criteria Decision-Making
- Human Factors & Ergonomics

Manuscripts Under Revision / In Preparation

- [M-1] **Shah Md Tasrifur Rahim**, Shahed Mahmud. Decision Support System for Supplier Selection: A Comprehensive Approach. *Manuscript under final revision.* [\[Summary\]](#)
- Developed a Graph Theory and Matrix Approach (GTMA) decision support system that models interdependent criteria across conventional, environmental, circular economy, and resilience dimensions, validated through a real manufacturing case study with a five-expert panel.
- [M-2] **Shah Md Tasrifur Rahim**, Sonia Akhter. A Port-Inventory Routing Problem with Route Preprocessing: Application to LPG Distribution in Bangladesh. *Manuscript in preparation.* [\[Summary\]](#)

WORK EXPERIENCE

Intern, Air Freight Department

Sep 2026 – Present

DHL Global Forwarding (Bangladesh) Ltd.

- Work in the Air Freight Department, supporting daily freight forwarding operations.
- Handle pricing and quotation activities for air freight shipments.
- Manage shipment tracking and tracing to monitor shipment status.
- Coordinate day-to-day communication with customers, airlines, and internal teams.

Industrial Trainee

March 2025

British American Tobacco Bangladesh [\[Certificate\]](#)

- Worked in the Secondary Manufacturing Department (SMD), analyzing floor layouts and machine pathways.
- Contributed to Centre Line (CL) upgradation, improving machine reliability and efficiency.
- Gained hands-on experience in manufacturing, supply chain operations, and process optimization.

SPARKS Campus Ambassador

2023 – 2025

Unilever Bangladesh Limited [\[Completion Letter\]](#)

- Organized the first-ever Learn to Lead session by Unilever Bangladesh Limited at RUET.
- Hosted an online roadshow for the 2024 Unilever Future Leaders Programme, engaging students from RUET, AUST, and KUET.
- Coordinated an online promotional session for bizMaestros 2023, targeting students from RUET, University of Rajshahi (RU), and RU IBA.
- Actively promoted leadership development opportunities offered by Unilever Bangladesh across RUET through strategic social media campaigns.

PROJECTS

Case Study: Strategic Enhancements for FMCG Supply Chains in Bangladesh to Prepare for Future Pandemic Disruptions

- Proposed strategies to strengthen FMCG supply chains in Bangladesh against future pandemic disruptions.

HONORS AND AWARDS

Best Track Paper Award [\[Certificate\]](#)

Dec 2025

- 8th IEOM Bangladesh International Conference, Human Factors, Ergonomics and Healthcare System Management track, for "A Sensor-Based Posture Detection System Towards Ergonomic Health Improvement."

University Merit Scholarship

- Awarded by RUET for three consecutive years.

1st Runner-Up, Public Speaking Competition

- Organized by RUET IPE Club.

LEADERSHIP

Vice President (Technical), RUET IPE Club

- Organized Crackerjack 2.0, a national case competition, as part of the organizing team under the RUET IPE Club in collaboration with the She-STEM Consortium.
- Facilitated a session on Presentation Basics organized by the RUET IPE Club to enhance students' communication skills.
- Hosted technical sessions during RUET IPE Day 2023 and the First Alumni Reunion, ensuring smooth execution and audience engagement.

Executive Member, RUET Career Forum

- Volunteered at RCF Career Fair 2023.

SKILLS

Programming: Python, C, SQL

Optimization & Analysis: Gurobi, MATLAB

Design & CAD: AutoCAD, SolidWorks

Office: Microsoft Office (Word, Excel, PowerPoint, Access)

Languages: Bengali (Native), English
